

P.Z. D.O.O. "INDUSTRIJSKO BILJE" NOVI SAD

Dear Sir,

It is a great pleasure to inform you that the **64th Conference »Production and processing of oilseeds«**, with international participation, is to be held from **June 25th – 30th, 2023**, in hotel SUN RESORT in Herceg Novi - Montenegro.

The organizers of the Conference, which has a long tradition, are the Business association – »Industrial crops« Novi Sad, Institute of field and vegetable crops – Novi Sad and Faculty of Technology Novi Sad. As part of the Business Association - "Industrial crops" Novi Sad are all oil factories in Serbia, and »Sojaprotein«, Bečej.

In the course of the Conference, an important place is held for the presentation of expert and advertising materials of firms, business organizations and companies – producers of equipment for agricultural production (of sunflower, soybean, rapeseed, oil pumpkin etc.) and for oil industry, laboratory equipment, raw material, seeds and other repro-material used in agriculture and food industry connected with this branch. In the scope of our business activities we offer you different possibilities of presentation and promotion of your products:

1. Exhibition stand in the hall and panels	600 €
2. Oral presentation of the firm, up to 20,0 min, with video presentation and panels	600 €
3. Promotion of messages and advertisements in color, on binding of the Proceedings	600 €
4. Promotion of messages and advertisements in color, on first inside binding of the Proceedings and on the first page after binding	500 €
5. Promotion of messages and advertisements in color, on last inside binding of the Proceedings	400 €
6. Promotion of messages on other inside pages	300 €
7. Participation in the Conference, registration fee	250 €

In case of business collaboration, according to your choice, promotion, propaganda, you will also obtain the Proceedings of the Conference.

If you are interested in one of the suggested types of presentation, please complete the attached application form and send it to the organizer as soon as possible, and the text and/or material for printing, till **20th April 2023**. Additional information are available from Olga Čurović or Gordana Vuković and Višnja Čurović.
